

Balloon Tying Discs Instructions

Feed curling ribbon through ribbon guide hole located under tying post. Place the disc on tying post.

Hold the inflated balloon in your left hand. With your right hand, pinch the neck of the balloon and the ribbon together and stretch both around the end of the tying post.

Hold the stretched balloon neck and ribbon together in your left hand. Place your fingers behind the tying disc and slide the disc over the neck of the balloon.

Slide tying disc down approximately one inch on the neck of the balloon. Remove tied balloon from post and cut the ribbon on the convenient ribbon cutter.
